

PUBLIC INTEREST ANNOUNCEMENT

ELECTRICAL WIRING COLOUR CODE

Tropical Cable & Conductor Ltd. (TCCL), Ghana's leading Cable manufacturer, wishes to remind the general public about the current electrical wiring colour coding system based on Ghana Standard GS 1009: 2012 Electrical Engineering - Electrical Wiring Code

<i>Function</i>	<i>Current Code</i>	<i>Old Code</i>
Three Phase Line (L1)		
Three Phase Line (L2)		
Three Phase Line (L3)		
Neutral (N)		
Protective Earth or Ground (PE)		
Single Phase Line		

We continue to manufacture **both colour codes** until the old one is phased out
